

# GREATER SAN ANTONIO AREA ROAD AND TRACK EVENT SCHEDULE

## Walking Opportunities

### (June 1, 2021)

**Synopsis:** Events listed focus around the San Antonio area. Some are competitive runs or run/walks but many are just charity walks. A few trail runs and track events are posted; but no triathlons/duathlons. Many school events and adventure races are NOT listed. Events that are “virtual” are able to be accomplished on your own based on the event manager’s guidelines. If more than one date is available for completion, we’ve entered the starting date. A few events are an easy day trip to Austin, Corpus, and further locations but only if those events are significant and pertain to walking or run/walk.

**Events are normally weekend events, occurring in the morning unless listed differently.**

- NEW to the listing: **Mayor’s Fitness Council (MFC) Endorsed Events** – events that meet safety and community criteria after an online application and MFC review. **Virtual Events.** While many organizations have had cancel or go virtual, we are posting virtual events who only support local community wellness. We are NOT posting virtual events made by virtual event companies who have no connection to a health charity or our community wellness.
- We are NOT posting “color” runs/walks where colorized powder, paintball pellets, or liquid is sprayed. Nor are we highlighting zombie, muddy, virtual, or obstacle events.
- While this list was compiled from many paper and online directories, it is NOT meant to be a complete listing. Please research posted websites and make phone calls to get up-to-date information since events change and are occasionally canceled (e.g., Walks With a Doc). Note: Due to COVID-19, some live events have limited participant rules and may have early registration deadlines. Always check the event contacts for updated information.
- As we compile this listing, there are many, more events that we just don’t have room to post: nature hikes, bird and plant walks, and city or neighborhood tours. Please check out separate connections for those walks which may be more low-key but may still offer a good fitness workout at a new and picturesque walking venue!
- Any recommended inputs or changes, please contact Bert Pickell, USATF South Texas, San Antonio Racewalkers, (210) 273-7983, [bpickell@satx.rr.com](mailto:bpickell@satx.rr.com)
